Financial Aid Awareness February

A RECAP

Thanks to all who joined the "celebration" of Financial Aid Awareness month! February was busy as many of you pushed to submit your financial aid application (FAFSA/CADAA) and your SRJC Scholarship Application! Many of you participated in our workshop **"Mo' Money, No Problems: An effort in Financial Wellness"** and you helped to spark important conversation about the challenges of budgeting as a student in Sonoma county. Please remember, we're here for you all year around and we're celebrating financial aid all the time. 🎉
You matter. Your education matters. Your financial aid matters.

STUDENT FINANCIAL SERVICES

Did You Know?

All students are required to maintain Satisfactory Academic Progress (SAP). In addition to maintaining the basic eligibility that allows you to get financial aid, regulations require that students meet specific Satisfactory Academic Progress requirements.

SAP is calculated by measuring: GPA, Completion Rate, and Maximum Time Frame.

Be SAP Savvy!

- Maintain a 2.0 overall GPA
- Complete *at least* 67% of all units attempted
- Complete your SRJC program of study within 150% of the program length.

Note:

Federal regulations do **not** allow academic renewal to be considered when calculating SAP. All units, regardless of when they were attempted count towards SAP.

ABOUT STUDENT FINANCIAL SERVICES

SRJC Student Financial Services includes the departments of Financial Aid, Scholarship, and Veterans Affairs. Together we work to assist students with financial aid applications, awarding aid to those who are eligible, verifying information submitted, finding resolution of missing or conflicting information, and preparing for the proper disbursement of financial aid as allowed by Federal, State, and local restrictions.
